Garmin depth sounder/GPS & radar, Garmin 6000  
multi function navigation display

The LADY OF THE LAKE will be equipped with a complete galley and a beverage bar on the main and 01 decks. She will moor at the Riverside Resort which is under construction on the Calcasieu River near Lake Charles, LA. The Riverside Resort will have facilities for up to 250 recreational vehicles, 70 rental cabins, 3 restaurants, 2 bars, bait shop and seafood market. She will be launched in November of 2011.

"SkipperLiner is very excited to build the LADY OF THE LAKE for Jim Mistretta's new Riverside Resort," Jeb Griffith, Managing Member of Skipper Manufacturing, LLC. "Riverside Resort and the M/V LADY OF THE LAKE will be incredible new attractions to the rich water history in the Lake Charles area," states Griffith.

A set of drawings (outboard profile and deck arrangements) are attached hereto.
